Referral Fee Disclosure

Pinellas Senior Living Help / PinellasSeniorLivingHelp.com

Pinellas Senior Living Help provides information, consultation, and referrals to help families compare senior living options in Pinellas County and nearby areas.

If you move into a participating assisted living or senior living community after a referral from this site or from Sandra Cantu, that community may pay Pinellas Senior Living Help a referral fee. That fee is paid by the community. **It is not charged to you or your family.** You will not be billed a placement or referral fee by this site.

You are free to tour, choose, or decline any community. We do not require you to use a particular facility, and we are not employed by the communities we discuss. A referral is not a guarantee of admission, pricing, or quality of care.

We refer only to communities we understand to be appropriately licensed. It is unlawful to knowingly refer someone to an unlicensed assisted living facility, or to a facility whose license is denied, suspended, revoked, or under a moratorium. See Florida Statutes § 429.08. Please also review each community on the Agency for Health Care Administration (AHCA) site before you decide.

If you also ask for help selling a home, that real estate work is separate. Any listing or sale is handled as a licensed Florida real estate transaction and is not paid through an assisted living referral fee.

This website is for general guidance. It is not legal, medical, or financial advice, and it does not create an obligation to use our referral service.
